I performed a physical examination of the Applicant listed above on the date indicated. I have read the mandatory OSHA guidelines for this physical in 29 C.F.R. 1910.134 and 1926.1101 and the examination I conducted was in accordance with the OSHA guidelines. The Applicant was informed of the results of the exam and of any medical conditions resulting from asbestos exposure which require further explanation or treatment; the Applicant was informed of the increased risk of lung cancer attributed to the combined effects of smoking and asbestos exposure; medical and work histories with special emphasis on the pulmonary, cardiovascular, and gastrointestinal systems were completed; the appropriate questionnaire from CFR 1926.1101, Appendix D, was completed; I performed a physical examination of Applicant directed to the pulmonary and gastrointestinal systems and including tests of forced vital capacity and forced expiratory volume at one second; and, interpretation and classification of Applicant's chest was conducted in accordance with CFR 1926.1101, Appendix E. I have determined that the Applicant is capable of working while wearing a negative pressure respirator without restriction.

I am licensed by the state of _____ to perform physical examinations such as I performed on Applicant.

I swear and attest that I have read the above statement and it is true and accurate.
