

Petition for Waiver or Variance from a Boiler or Pressure Vessel Rule

Notice: A waiver may not suspend the requirements of the statute. A waiver suspends the requirements of a rule for the specific circumstances if an identified person. If you seek blanket authorization to install objects in unidentified locations, please file a petition for rulemaking instead of this form.

You may wish to consult an attorney before completing this document. For more information, please read the boiler board's rules on waivers and variances at 875 Iowa Administrative Code Chapter 81.

Are the requirements you wish to have waived specifically mandated by statute? If yes, the board does not have authority to waive the requirements.

Yes No

Does this petition relate to a pending contested case or other legal proceeding? If so, the petition must be filed in that proceeding.

Yes No

Please indicate whether this is a request for a temporary waiver or a permanent waiver.

Temporary Permanent

If this is a request for a temporary waiver, please give the desired end date for the waiver.

If this is a request for a permanent waiver, do you believe a temporary waiver would be infeasible?

Yes No

If yes, please describe why you believe a temporary waiver would be impracticable.

Describe and cite to the rule or rules you wish the board to waive.

Describe the exact waiver or variance desired, including scope.

Describe how complying with the rule would impact the building.

Describe how complying with the rule would impact your activities in the building.

Describe how complying with the rule would impact your business or other organization.

Provide any additional facts, data and arguments that you believe show complying with the rule would create an undue hardship.

Will substantially equal protection of the public health, safety, and welfare be provided if the waiver is granted.

Yes No

If you marked yes, please describe exactly how the protection will be provided.

Do you believe a waiver would prejudice the substantial legal rights of any person.

Yes No

If you marked no, please describe why not.

Describe previous contacts with the Iowa Division of Labor or any other governmental agency regarding the boiler or pressure vessel at issue.

Provide any information you have regarding how the board has handled similar requests in the past.

Provide the name, address and telephone number of any person, entity, public agency or governmental body that might be affected by this waiver.

Provide the name, address, and telephone number of anyone with relevant knowledge regarding the variance or waiver request.

If an attorney is handling this variance request for you, provide the attorney's name, address and telephone number.

Mail or email this form with copies of any supporting documents you want the board to consider to:
